

## **Nominations for National Team Support Roles**

The Arena Swim Club has a National Funding Policy in place, a copy of which is located on the ASC web site at <http://www.arenaswimclub.com.au/theclub/documents/NatSwimFundPolicy.pdf> . As documented in the policy, the Club can call for nominations to fill the role of Team Manager and/or Parent Guardian. Please read through the selection criteria/responsibilities of these positions. If you feel that you have the necessary attributes to fill either of these roles I would encourage you to complete a nomination form.

The Club can provide funding to the persons appointed to the roles of Team Manager and Parent Guardian to accompany Swimmers, competing at the National Open and National Age Championships, through covering costs such as accommodation and food expenses.

If a member of the committee nominates for either role they relinquish their right to vote on the nominations.

A nomination form is attached. At this point in time the ASC is considering **only one role to accompany the team** to attend Melbourne in Aug 2007. If you wish to nominate for the Team Manager role for the upcoming Australian Short Course Championships, please complete the form and place it in the Meet Entry Box by Wednesday 27<sup>th</sup> June 2007. Due to the ages of some of the female swimmers attending these championships, the Committee requires a female to occupy this role.

The Committee will select the persons to fill these roles. This decision will be final and no correspondence will be entered into.

If you require any further information regarding these roles please feel free to contact me.

Laurie de Mamiel  
President  
Arena Swim Club

## Nomination Form
