

On Tuesday the 10th of January, the Devos squad headed to Eaton Scout Camp, on the Collie River just outside of Bunbury and about 2 ½ hours' drive from Perth . We had a great time over 4 days and everyone enjoyed themselves. There were many fun times and challenges along the way which included;

Sleeping in dorms with possums that made lots of noise at night – then Warren waking us up at 4:45am for a run!

Eating – there was LOTS of food!

Training – everyday, twice a day at South West Sports Centre

Raft-building with John to get treasure from Babbage Island, off Pelican Point

Boot Camp – hmm, boot camp....!

Some funny memories we will take away from this camp...

On the second day, when some of the boys wanted their nails painted, just like the girls....Ohhh, didn't they look so pretty?!

When Shane found bird poop in the shape of a sea horse in the car park at camp....eeuuwww!!!

Watching the boys (and Helen) fill their faces with food and drinks at breakfast, lunch and dinner

Warren freaking us all out by telling us there were alligators, crabs and sharks in the river before we had to swim across and then Warren almost sinking the green canoe!!!

A big thanks to the parent helpers Clare Masolin and Steve Wilson, but we wouldn't have had the camp without Warren and Alicia. By the way, thanks for killing us in all of the training sessions. What would we do without you?!

Ben Vafeas and Aimee Lea
