

Questions following Parent Info sessions 4/4/13

Q The Arena (Venueswest) has been giving a discount for the second, third, fourth, etc child enrolled in Inters, Junior bronze and silvers. Is the Club going to be offering the same to families with more than one child?

A. When the sub-committee working group met to discuss club finances; we determined that in consideration of the need to meet expenses associated with re-establishing the Club and in order to avoid significant fee increases to all members, it would not be economically viable for our re-structuring Club to offer parents of multiple swimmers discounted monthly training fees.

It is likely that the practice of offering discounted multiple competitive swimmer annual Club memberships will remain in July this year.

Q Any idea of memberships fees for 2013/2014?

A. About the memberships;

- All Club memberships will be due for renewal in July 2013 for the 2013/14 season
- There will be membership options for non-competitive and recreational members in addition to memberships for competitive members who must also pay the SWA capitation (separately, to SWA in Oct 2013)
- Juniors who are not yet members will not be required to join the club 'officially' until July 2013.
- 2013/14 Membership options and associated fees are yet to be finalised and will be discussed at a future committee meeting.

Q. Can I pay my monthly training fees by cash, cheque or by EFTPOS at the Arena Office?

A. No, while there is no permanent office manager, the only option for payment of monthly squad training fees is via Club-initiated automatic direct debit from a credit or debit card. Please return your completed authority to the Club Office by Friday 12th April to ensure your swimmer is paid up to swim with their squad.

Q. When does the new Squad Training Schedule begin?

A. Wednesday 1st May 2013
