### Volunteer Agreement

I, \_\_\_\_\_, parent / guardian of \_\_\_\_\_

Swimming relies heavily on volunteer assistance during the running of race meets. From club level through to state level, swimmers' parents / guardians are rostered to perform various duties on meet days. Without your volunteer assistance, meets cannot run efficiently.

The following points are important;

- If your child has entered a swim meet, you should expect to be rostered for timekeeping or other duties as directed by the Meet Director;
- If you are rostered for time keeping at an Arena Race Session - you are required to stay for the duration of the meet;
- Despite the best efforts of the volunteer coordinator, your allocated time keeping slot may not always coincide with the time your child is swimming;
- The number of volunteer slots allocated to the club is based on the number of swims per club; and not the number of swimmers or families participating;
- Volunteer Rosters are published on the web site; e-mailed to all registered club members and where possible, are available for checking at the commencement of the meet. It is your responsibility to check the roster and to ensure that the contact details held by the club remain current;
- If you are unsure about the duties to be performed, it is your responsibility to check with other Arena parents or coaches to ensure you are prepared to fulfil your allocated role. None of the duties are difficult or complex;
- It is your responsibility to arrange a substitute if you are unable to fill the allocated time slot;
- If you take another family's swimmer to a meet, you may be required to also fill that swimmer's parent's allocated volunteer role (hopefully, their parent has already pre-arranged a substitute).
- There will be occasions when you will be asked to undertake duties in addition to those allocated to you on the time keeping roster;
- If you decide to leave the meet early, and before you have fulfilled your time keeping slot, you are responsible for arranging a substitute ; and
- The Arena Swim Club acknowledges that swimmers who have obtained a drivers licence are likely to drive themselves to swim meets and that parents may not attend. In this situation, parents will no longer be rostered for volunteer duties at minor race meets and ASC Race Sessions.
- Parents of self-drive swimmers **will** be rostered for State Age and Open Championships; and are expected to be available for timekeeping in the event that their child has qualified for finals in the evening session.
