

Multi Class Swimming Classification Day

Friday 9th & Saturday 10th May, 2014
University of Western Australia

Swimming WA has been fortunate to secure the services of two national classifiers to assess Multi Class swimmers who are interested in competing in WA.

Classification is the first step in the pathway to a competitive swimming career in WA and Australia.

Swimmers who are new to the sport or current competitive members who are up for review are encouraged to take part. Swimmers do not need to be registered members of Swimming WA to take advantage of this opportunity.

Limited places - register early!*
