Uniform Shop

The Uniform shop will be open at the next race meet for ALL your Arena Swim Club uniform needs – plus a chat – we’re good at that!

As most of you are aware Lisa & I are stepping down from the uniform roles. We will however still be actively involved in the club – just not at a committee level. As such we are looking for parents who would be interested in filling this role. The race session is a good night to come and chat to us – see what is involved – it will give you a better idea of the role. It is one of the easier jobs & you get to meet a lot of Arena families which is fantastic. Plus you can do it with a friend!!! What’s not to like?! Please don’t be shy – we need you!
