Arena Swim Club Flippaball Members
Tuesday July 7th 2015

Dear Members

RE: FLIPPABALL MOVING FORWARD

During the past two months the ASC committee has discussed at length the flippaball programme and the best way to move forward. With the support of a grant from the City of Joondalup in 2013 the programme was able to be established and certainly from the Committees point of view has been extremely well received by participants and parents alike.

Since 2013 the North Coast Water Polo Club has been established at HBF Arena and earlier this year discussions were held between the previous ASC Committee and North Coast with regarding the future of the programme. Since the new ASC Committee has taken over we have finalised those discussions and as of Sunday July 26th the flippaball programme will now be the responsibility of the North Coast Water Polo Club. This is a common sense decision and one that the City of Joondalup has confirmed is an excellent outcome from their financial contribution.

Zoe Stenhouse is the secretary of the NCWPC and has been helping Paolo out at some of the training sessions so you may already have met her. Please contact Zoe via email northcoastwpc@outlook.com if you have any questions. We will be providing Zoe with the database of all flippaball participants / parents to enable her to contact you all direct.

I am sure the transition of the programme from Arena Swim Club managed to North Coast Water Polo Club will be seamless and I wish you all the best for the future.

Kind regards

Dean Solly
President
